

Faculty Meeting
1/4/10

1. General Comments: *at the last faculty meeting ...*
2. Issue at hand today: general vigilance about “out of bounds” areas.
3. Sick leave bank survey is on teacher links
4. Emailing lists to families: major priority and we all have to help Monica in this. Also, there is an afternoon parent teacher conference. Board ...
5. Second semester classes:

English 101

Math 101

Oral Communications 101

Health and Nutrition 101

Not taught by any of us. College level feel and set up. Put on back of transcript as enrichment grade.

6. Senior Day: Grades 9 through 11 are out. All teachers report and all seniors report. By the end of the day every senior will have completed applications and be in process and awaiting thin or thick envelopes. A committee will have to put the day together with regard to assignment, pre-working, paperwork needed and tasks. Right before February vacation would be good – SIT and the committee can have input.
7. Program audit – institutional asset mapping: what do we do and why do you do it? Should parts of our “menu” of expanded options be curtailed or trimmed? Does not exclude academic programs but is mostly about ancillary stuff.
8. Credit Recovery/Un-met curricular needs class: An individual runs a room where multiple courses are being “taught” and a kid’s gaps are met. 2nd semester, who is available, and I do not want to have to turn away good applicants because we don’t have or can’t give a certain course or credit. Looking at no more than 7 to 10. The “un-graded” room concept from Nov. SIT.
9. CAST/UDL Editions Laboratory: Mr. Boland during the 2nd semester works with a group of students to “do the series” in order to field test that sort of instructions. When I look at the CAST/UDL Editions I get them, but ...
10. Brochures: Pat and Tina need to contact Diane Sterrett ASAP as the season for recruitment is upon us.
11. Table of organization: approximated and 2010/2011.
